Dear Charlie and Patrick,

Thank you to Penguins Against Cancer for your donation of £5,000 which reached us safely via BACS on 8th October 2026. We are immensely grateful for your support, and would like to express great thanks to your colleague who anonymously put us forward for consideration.

It is no small feat to row nearly 11 miles! Your remarkable efforts to fundraise and to support the work of so many charities is truly admirable, and we are grateful to be among those you have so kindly chosen to support.

Your grant will help us to continue providing support and palliative care to residents of East London affected by life-limiting illnesses over the coming year, and also to support their loved ones through their loss.

If you would like a thank you via our social media channels (LinkedIn, Facebook or Instagram) or on our website just let me know.

If any members find themselves in East London, please do come by for a visit – we would love to be able to show you round and tell you more about our work, and have a chance to thank you in person.

And do let me know if there is anything else you need from us at any point.

With thanks and best wishes

Yours sincerely,
