Dear Penguins Against Cancer

We are writing to thank you for your very kind and generous donation of £5,000. With this gift you are enabling us to continue providing compassionate end of life support for terminally ill people and their families whenever and wherever they need it.

We are so grateful that you have seen fit to send us another incredible donation, and our thanks also go to Rob Lancashire and Pete Davis who we acknowledge as the inspiration for the grant. We are aware that it is also given in memory of Emma Lancashire

Excellent care is the focus for everything we do at St Luke's whether we are on the clinical or social care frontline, running one of our charity shops, organising our flagship fundraising event or being an intrinsic part of supporting services that make our organisation tick. You make this possible with your support!

Your kindness and generosity are truly appreciated and never taken for granted.

Best Wishes
