Dear Dave,

Thank you so much for your email and attached confirmation of funding of £3,000. I can confirm that this is now in our bank and please accept this letter as your receipt.

We are so grateful to everyone involved and moved by Caroline's kind words. Feedback like this means so much to the unit staff.

To be honest, I had never heard of Penguins Against Cancer and have looked at your website. What an amazing job you are doing! You have raised and awarded a huge amount of funds, and we are honoured to be part of that. With your permission, we would like to put out a post on social media. You really are a wonderful organisation.

Your generosity will help us keep giving our exceptional care to those at the end of their life and their families. A huge thank you to everyone involved in raising this money, we are profoundly grateful.

Wishing you all the absolute best in continuing your success at Penguins Against cancer.

Kindest regards
