Kicking Cancer Into Touch!

19th February 2024

Dear Breast Cancer Now,

We are writing to you enclosing a cheque for **£5,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to fund research into treatment for breast cancer. This is in addition to the £11,900 we sent to you in December 2019, the £2,000 grant we sent you in July 2017 and the £1,000 grant we sent to 'Breakthrough Breast Cancer' in May 2014.

This grant was proposed by Graham Bevan and Sarah Hill, and is made in direct support of Sarah Bevan.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters, who are keen to lend you support. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely
