Dear Mr Beardmore

We are honoured to have recently received a donation of £5,000 from Penguins Against Cancer, in memory of Sandie Johnson. We are truly grateful for the nominations from your Trustees in support of Karen Aslett. I know that my colleague is in touch with her regarding this grant too.

Lymphoma Action is the UK's only charity dedicated to lymphoma, the 5th most common cancer. We've been providing in-depth, expert information for over 35 years, helping thousands of people affected by lymphoma. Our mission is to make sure no one faces lymphoma alone.

By donating to us you are helping to provide vital information and support services to the thousands of people with a lymphoma diagnosis across the UK.

It is only with the help of organisations such as Penguins Against Cancer that Lymphoma Action can continue to support people affected by lymphoma. On that note, I just wanted to say how grateful we are for all the support that Penguins Against Cancer has provided in the past. This support has contributed to helping us to reach the strong position we are in today and making sure that no one faces their lymphoma alone.

From everyone at Lymphoma Action, thank you so, so much for your generosity.

Yours sincerely
