Penguins Against Cancer
Red Trousers Day

Subject: Acknowledgment of Receipt of Grant Award

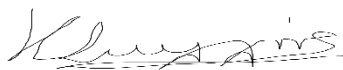

Dear Penguins Against Cancer and Red Trousers Day,

I am writing to formally acknowledge receipt of your generous grant award of £10,000.

We deeply appreciate your kindness and support. Your contribution will be instrumental in helping us develop a microchip-based Lab-on-Chip system for the detection of genetic biomarkers of colorectal cancer at the point-of-care.

Thank you once again for the grant. We look forward to keeping you updated on our progress.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'K. Simillis', written over a set of three horizontal dashed lines.
