Kicking Cancer Into Touch!

29th February 2024

Dear Velindre Cancer Centre,

We are writing to you enclosing a cheque for **£4,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to fund cancer research in your institution. This grant was proposed by Dave, Sam and Joe Gush, all PAC Members, with Dave also being our Secretary and a PAC Trustee. The grant is made in memory of Andrew Gwatkin, who you treated until his death in January 2024, and in support of his son Louie, a stalwart of Penarth RFC and a friend of Sam & Joe.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital (home to the oldest Rugby Club in the world) as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely
