Dear *Charlie*

On behalf of Velindre Cancer Centre, I write to thank you for your kind donation of £5,000.00 made in loving memory of Sian Thomason. Please accept our sincere condolences for your loss and thank you so much for thinking of us at this difficult time.

Your support is sincerely appreciated and makes a huge difference to patients and their families.

Velindre, the Hospital of Hope has been providing specialist treatment and supportive care to cancer patients in Wales for over 60 years.

Money raised for us funds groundbreaking research and clinical trials, cutting edge treatments, specialist nurses, support services, therapies, equipment and so much more which are above those provided by the NHS - so donations really do have a significant impact on patients and their families. More people than ever are living with cancer and survival rates have doubled in the last 40 years through better treatments and earlier detection.

Your donation will allow us to continue to provide Hope for the future.

Without any imposition of trust, we will attempt to comply with your wishes as to the use of the donation. As specified in your letter, your donation will be paid into our General Donations Fund, which is used to support all our services, projects and appeals. This fund also houses funds used to support patients undergoing chemotherapy in our institution.

We hold your details to keep a record of your donation, managed in accordance with Data Protection legislation. We will never share your details.

We aim to provide the best care when people need us most. Thank you.
