Dear Neuroendocrine Cancer UK,

We are writing to you enclosing a cheque for **£5,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to support research into detection and treatment of Carcinoid Tumours. This grant was proposed by Pete Davis and Charlie Beardmore and is in direct support of Sasha Smith. Sasha, and her husband Tony, have provided outstanding support, at their own expense, to several Penguin Peloton sponsored cycling events which have raised well over £100,000 for PAC.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters, a number of whom are particularly keen to support the work that you do. Please feel free to visit our website [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to [penguinsagainstcancer@outlook.com](mailto:penguinsagainstcancer@outlook.com), as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely
