*Kicking Cancer Into Touch!*

18<sup>th</sup> April 2025

Dear Velindre Cancer Centre,

We are writing to you enclosing a cheque for **£5,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to fund cancer research in your institution. This is in addition to the £4,000 grant we sent you in February 2024 and the £5,000 grant we sent you in March 2024. This grant was proposed by Pat Gush, PAC Vice President and a Founding Trustee. Sally Coleman, Pat's Aunty, has received support and kindness from the staff whilst recently undergoing weeks of radiotherapy, some CT scans and oncology visits to discuss any further treatment. Sally is the inspiration behind this grant.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital (home to the oldest Rugby Club in the world) as active supporters. Please feel free to visit our website [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to [penguinsagainstcancer@outlook.com](mailto:penguinsagainstcancer@outlook.com), as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely
