Dear Lymphoma Action,

We are writing to you enclosing a cheque for **£5,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to raise awareness of lymphoma and to provide support directly to those affected by lymphoma. This grant was proposed by Charlie Gush and Geraint Thomason, both longstanding PAC Trustees, and is in support of Karen Aslett who ran the London Marathon yesterday for Lymphoma Action in memory of her Mum, Sandie Johnson who sadly lost her life to CNS Lymphoma in January 2023. We would therefore like you to acknowledge Sandie as the inspiration behind this grant.

This grant was made possible by the generosity of student and alumni members who ran a very successful raffle at last week's Guys Hospital Rugby Football Club 180th Anniversary Ball. Guy's is the oldest rugby club in the world and was a founder member of the Rugby Football Union.

This grant in addition to the £5,000 grant we sent you in May 2023, the £2,000 grant we sent you in August 2020, the £4,000 grant that Penguins Against Cancer made to Lymphoma Action in January 2020 and the £1,000 grant to Lymphoma Association by us in November 2016.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and how it will be spent. Please feel free to send as an attachment, via email to penguinsagainstcancer@outlook.com, as we need to publish the response on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely,

Charlie Beardmore
President
