Kicking Cancer Into Touch!

Katherine House Hospice

Dear Katherine House Hospice,

We are writing to you enclosing a cheque for **£5,000** as a grant from Penguins Against Cancer (PAC), specifically to be used to provide direct support to those receiving terminal care in your excellent institution. This grant was proposed by Sam Hodges and Naseema Callaghan, both PAC Members, and is in direct support of their friend Mark Northwood, who you recently cared for, and we would like you to acknowledge as the inspiration behind this Grant. Sam has dedicated this Grant "In memory of Mark who was a talented, fun-loving friend who never lost his sense of humour even when things got really tough".

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely,

Charlie Beardmore
President
