

Dear All at Penguins Against Cancer,

25th April 2025

On behalf of Velindre Cancer Centre, I would like to thank you for your kind donation of £5000 proposed by Pat Gush. We understand that your donation was inspired by Sally Coleman, who continues to be a much-loved patient of ours.

Please know that we are incredibly moved by your gesture, and by the way you've chosen to honour her strength and courage. Contributions like yours enable us to continue providing world-class care, ground-breaking research, and vital support services for people affected by cancer.

With your help, we're making a significant impact to vital cancer services here at Velindre and beyond. At Velindre Cancer Charity, we are proud to champion person-centred care, placing the dignity, comfort, and emotional needs of every patient and loved one at the heart of what we do and fund. Together, we stand with Velindre Cancer Service in delivering **exceptional cancer services** to over 1.5 million people across South East Wales and beyond.

With 1 in 2 of us developing cancer in our lifetime, we need supporters like you now more than ever. Find out more about the impact of your support by visiting www.velindrefundraising.com/areas-we-fund/

With your support, we can continue our positive impact. Whether it's by volunteering, fundraising your way, joining an event, becoming a corporate partner, running a school activity, leaving a gift in your will or donating what you can, there's a way for everyone to get involved.

Thank you so much for being part of the Team Velindre. We couldn't support our patients, families and staff without you and we hope you'll join us again as we continue on our journey.

Best wishes,

Esther.
