31<sup>st</sup> August 2024

Dear Pancreatic Cancer UK, We enclose a grant of £5,000 from Penguins Against Cancer (PAC) to you, to be used to fund innovative research into treatments for Pancreatic Cancer. This is in addition to the £5 000 grant we sent you in November 2023, the £5 000 grant we sent you in May 2023, the £5,000 grant we sent you in September 2022, the £5,000 grant we sent to you in November 2021, and the £7,000 grant we sent you in September 2015. The enclosed grant, proposed by Pete Davis and Charlotte Beardmore, is in memory of Jean Davis and Ron Spedding, who we would like you to acknowledge as the inspiration behind this Grant.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) and let us know what you think.

This Grant has been made possible following the enormous generosity of our supporters, particularly the Penguin Peloton, a mixture of students and many older Penguins, ranging in age from 18 to 66, who cycled over 250 miles from Guys Hospital to Blackpool over 3 days this year to raise funds for PAC.

We would be most grateful if you would write back to us confirming receipt of the Grant and how it will be spent. Please feel free to send as an attachment, via email to [penguinsagainstcancer@outlook.com](mailto:penguinsagainstcancer@outlook.com), as we need to publish the response on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely,

**Charlie Beardmore**  
President
