Kicking Cancer Into Touch!

5th September 2024

Dear Princess Alice Hospice,

We enclose a Grant for £5,000 from Penguins Against Cancer (PAC) to you, to be used to provide palliative care in your excellent institution. This is in addition to the £5,000 Grants made to you by PAC in May 2023, July 2021 and Apr 2019, and the £1,000 Grants in January and July 2014, and July 2015. This has been proposed by Geraint Thomason and Pat Gush and is in support of all your staff including the volunteers who do so much, and who we would like you to acknowledge as the inspiration behind this Grant.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

This Grant has been made possible following the enormous generosity of our supporters, particularly the Penguin Peloton, a mixture of students and many older Penguins, ranging in age from 18 to 66, who cycled over 250 miles from Guys Hospital to Blackpool over 3 days this year to raise funds for PAC.

We would be most grateful if you would write back to us confirming receipt of the Grant and how it will be spent. Please feel free to send as an attachment, via email to penguinsagainstcancer@outlook.com, as we need to publish the response on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely

Charlie Beardmore
President
