Dear Penguins Against Cancer

Thank you once again for your very generous donation of £5,000. We would also like to thank Pete Davis and Charlie Beardmore for proposing that we receive the grant, in memory of Emma Lancashire. Thank you for the kind words relating to Emma's care that we were able to give in her final days, your grant will enable us to provide similar care to at least 5 more patients this year.

St Luke's Hospice Plymouth is an independent charity providing specialist advice and support to people with progressive life-limiting illnesses in Plymouth, Southwest Devon and East Cornwall. We believe that everyone deserves quality end of life care, no matter where. We work with our community, in partnership with others, to achieve dignity, comfort and choice for people affected by life-limiting illnesses through delivering and influencing exceptional care.

Our vision is a community where no person has to die alone, in pain or distress. In order to continue our vital work, we need to raise vital funds each and every year. Without your support this would not be possible.

Thank you once again from all of our patients, their families and our staff.

With very best wishes
