Dear Mr and Ms Beardmore,

Thank you from Sarcoma UK

Thank you to you and the other Trustees of Penguins Against Cancer for your generous gift to Sarcoma UK; we are honoured to have your support. We gratefully received your generous donation of £5,000 on 25th August 2026. Your donation is already making an impact on the lives of those affected by sarcoma.

We would like to extend our heartfelt thanks to both of you, and to the entire Penguin Peloton, for this incredibly generous grant, given in memory of Sian Thomason.

We are honoured that Sian's memory has inspired this support for our work, and we are incredibly grateful to everyone involved in making this grant possible. The dedication and determination shown by the 32 members of the Penguin Peloton is truly remarkable.

Cycling more than 570 km, with almost 4,500 metres of ascent, from Windsor Castle to Guy's Hospital via South Wales over four days is an extraordinary achievement. Their fundraising and commitment will make a real difference to people affected by sarcoma, and we are immensely grateful for their support.

Penguins Against Cancer have been generous supporters of Sarcoma UK over the years and we are so grateful for this.

Thanks to support like yours, Sarcoma UK has now funded £12 million into 130 research projects since 2009, from lab work uncovering new treatment targets, to clinical trials, AI-supported diagnosis, and care that helps people live well beyond sarcoma.

Your support is helping fund the next wave of sarcoma research, from new ways to diagnose sarcoma faster, to kinder treatments and better care for life beyond sarcoma.

Thank you again for choosing to support our charity. We are so grateful for your generosity; you are giving hope to everyone affected by the disease.

On behalf of the entire team at Sarcoma UK, thank you.

Thank you so much for your generous support which means we are one step closer to curing sarcoma. If you would like to meet any of the team either face-to-face or virtually, please let me know by email at greg.medlock@sarcoma.org.uk or by phone at 07931254697.

Yours sincerely,

Greg Medlock
