Penguins Against Cancer
c/o Weirs End
Hampton Court Road
East Molesey
Surrey
KT8 9BP

Dear Mr Beardmore & Mr Gush

Thank you so much to Penguins Against Cancer and Penguin Peloton for the grant of £5,000.00 to Rosemere Cancer Foundation to fund the treatment of prostate cancer, following the outstanding care of Martin by Dr Portner's team at the centre here. I'm glad to hear you both enjoyed your incredible fundraising challenge!

Your generous donation will help us fund life changing projects for those living with cancer across Lancashire and South Cumbria.

Every year almost 11,000 people across the region are diagnosed with cancer, but with your support we're able to fund research, give local patients early access to the latest treatments available and help clinical staff be the best they can be by funding new opportunities to learn and share.

Once again, thank you so much for your support.

Yours sincerely

Rebecca Arestidou
Trust, Grant, Fundraising Impact & Project Officer
