Kicking Cancer Into Touch!

1st March 2024

Dear Velindre Cancer Centre,

We are writing to you enclosing a cheque for **£5,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to support patients undergoing chemotherapy in your institution. This grant, made on St David's day, is in addition to the £4000 grant we sent you yesterday. This grant was proposed by Geraint Thomason and Charlie Beardmore, both longstanding PAC Trustees. The grant is made in memory of Sian Thomason, who was treated at your centre 12 years ago, and who we would like you to acknowledge as the inspiration behind this Grant.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website.

We wish you continuing success in the excellent work you are doing.

Yours sincerely
