Kicking Cancer Into Touch!

20th November 2025

Dear Melanoma Focus,

We are electronically transferring a Grant of £5 000 from Penguins Against Cancer (PAC) to you, specifically to be used to support research into Melanoma and its treatment. This grant was proposed by Robin Lancashire and Peter Davis, and is in direct support of their friend, Mark O'Connor, a patient at St James University Hospital Leeds, recently under the care of one of your Trustees, Mr Howard Peach. We would like you to acknowledge Mark as the inspiration behind this Grant.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

This Grant was made possible following hugely successful fundraising by the 43 strong Penguin Peloton, ranging in age from 18 to 68, on their cycle ride from Guys Hospital to Guys Hospital via Brittany and Normandy from 23rd to 26th May 2025, which Rob and Pete both completed.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website. We wish you continuing success in the excellent work you are doing.

Yours sincerely
