*Kicking Cancer Into Touch!*

27<sup>th</sup> June 2026

Dear King's College Hospital Charity,

We are electronically transferring a Grant for £5,000 from Penguins Against Cancer (PAC) to you, specifically to be used to support patients undergoing surgery for Liver and Pancreatic Cancer in your excellent institution. We understand your appropriate fund for this is the Liver and Pancreas Fund number D2239 (it should not be used for any General Purpose Fund please). The Grant, proposed by Charlotte Gush and Charlotte Beardmore, is in direct support of Evelyn (Lyn) Riley who received outstanding care from Professor K Menon and his team having been diagnosed with cancer of the bile duct and undergoing a Whipple procedure. Lyn would like to recognise the contribution made by Prof Menon and his superb HPB surgical and nursing team. She is now well on her way to recovery and will be forever grateful for their surgical brilliance and compassionate care. We would ask you to acknowledge Lyn as the inspiration behind this Grant.

This Grant was made possible following the hugely successful PAC Golf Day held at the Surrey National Golf Club on 19<sup>th</sup> June. It featured Penguin golfers ranging in age from 20 to 70 who completed the 18 holes under azure blue skies, and then enjoyed a sumptuous meal followed by a fundraising auction and magic raffle.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, and hospices. It has no running or administrative expenses (all costs being met by PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) and let us know what you think.

We wish you continuing success in the excellent work you are doing. We would be most grateful if you would write back to us acknowledging receipt of the grant and confirming how it will be spent. Please feel free to send your response as an attachment, via email to [penguinsagainstcancer@outlook.com](mailto:penguinsagainstcancer@outlook.com), as we would like to publish it on our website.

Yours sincerely,
