Kicking Cancer Into Touch!

9th October 2024

Dear Marina,

It was great to meet you during our cycle around Jersey, and many thanks for your hospitality and the inspirational tour of your Hospice. Our cycle ride (including circumnavigating Guernsey) raised £2285 which the Penguins Against Cancer (PAC) Trustees generously agreed to raise to £5,000. We therefore enclose a grant for £5,000 from PAC to you, to be used to provide palliative care in your excellent institution. This grant is in support of all those requiring end of life care. We would like you to acknowledge your patients and staff as the inspiration behind this grant, please.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit www.penguinsagainstcancer.org.uk and let us know what you think.

This Grant has been made possible following the enormous generosity of numerous supporters including: The Guys Hospital Class of 84 (CO84)¹, Guys Hospital Penguins, Jersey RFC, Dan McAlister, Griff (Jersey RFC), Ossett RFC (who won the Veterans rugby tournament this year), Freda Crampton, Pat Jones, Barry Robinson, Graham Rich, Richard Etok and many others. We would also like to acknowledge the outstanding generosity and hospitality of: Kate Innes, Ian Le Moigne (Condor Ferries) and Geraldine Cunningham (Best Western Moores Hotel, St Peter Port), without whom Trevor, Loz and I would not have been able to undertake this fundraiser.

We would be most grateful if you would write back to us confirming receipt of the grant and how it will be spent. Please feel free to send as an attachment, via email to penguinsagainstcancer@outlook.com, as we need to publish the response on our website. We wish you continuing success in the excellent work you are doing.

Yours sincerely
