

Mr Charlie Beardmore,
President, Penguins Against Cancer
c/o Weirs End
Hampton Court Road
East Molesey, Surrey
KT8 9BP

4 November 2025

Dear Mr Beardmore,

On behalf of all the neuroendocrine cancer community, we would like to thank Penguins against Cancer for the very generous donation of £6,000. We would also like to express our thanks to Lutz Hostert and Charlie Beardmore for their proposal in support of Sasha Smith.

This donation, and the research work being undertaken on a global scale, takes us one step further to attaining our vision of a world in which people know how to recognise, diagnose, treat, care for, and ultimately cure patients with neuroendocrine cancer.

Please extend our deepest gratitude to all Penguins against Cancer members for their remarkable fundraising efforts and commitment to advancing cancer research and awareness.

Best Wishes,

Lisa Walker
CEO Neuroendocrine Cancer UK
