Dear Sarcoma UK,

We are electronically transferring a Grant of £5000 from Penguins Against Cancer (PAC) to you, to be used to directly fund research into treatments for Sarcoma. This is in addition to the £5,000 Grants we sent you in June 2025, September 2024 and September 2022, and the £1,000 grants we sent you in November 2014, and in January 2014.

This Grant was proposed by Charlie and Charlotte Beardmore and is in memory of Sian Thomason, who we would like you to acknowledge as the inspiration behind this Grant. It was made possible following hugely successful fundraising by the 32 strong Penguin Peloton, aged from 18 to 63, on their cycle ride from Windsor Castle to Guy's Hospital via South Wales over 4 days from 1st to 4th May 2026. The Peloton cycled over 570 km with nearly 4500m of ascent.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has many students studying at Guy's Hospital as active supporters. Please feel free to visit our website <https://www.penguinsagainstcancer.org.uk/> and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and indicating how it will be spent. Please feel free to send your response as an attachment, via email to penguinsagainstcancer@outlook.com, as we would like to publish it on our website. We wish you continuing success in the excellent work you are doing.

Yours sincerely
