Dear Mr Beardmore and Mr Gush,

I am writing on behalf of Phyllis Tuckwell to acknowledge receipt of a grant for £5,000 from Penguins Against Cancer, that was made in memory of Jo Town.

This donation will be spent on providing palliative care and support to patients and families who are living with an advanced or terminal illness in our local community.

We are very grateful for this generous donation and your continued support. All our services are provided free of charge to those who need them - however, in a normal year only 20% of our costs are covered by the NHS. Your kind support is therefore invaluable in helping us care for patients and families living with an advanced or terminal illness.

Please can you also pass my thanks onto Alan Mistlin and the GKT Women's Rugby team who helped to make this grant possible.

Yours sincerely

Claire McDonald

P.S: You may have heard about our plans to build a new hospice on our existing site in Farnham. This exciting project will enable us to care for many more people, for years to come. If you would like to find out more, please visit www.pth.org.uk/new-build-home
