Dear Ms Beardmore and Mr Rush

I am writing on behalf of The Fountain Centre to thank you for the generous grant donation of £2000 from donations made by your supporters. We are very grateful to you for thinking of us.

The money will be used to continue our work of providing a support and information centre for cancer patients within the Royal Surrey County Hospital. The Fountain Centre aims to enable cancer patients and their families to regain control of their lives and to be able to make informed choices about their future.

Since opening in 1998 with a patients/carers base of 180 visits per month we have seen phenomenal increase in demand for our services to now over 650 visits a month and we would not be able to continue to offer this service without the generosity of people like yourself.

Thank you once again for your valuable support.

With kind regards

Susan Jordan
Finance Assistant
