7th May 2015

Dear Andrea,

Thank you for your help with the Brighton Marathon. Penguins Against Cancer has now provided, including Gift Aid, in excess of £8,500 of support to the Royal Marsden, through 'justgiving' sites (2014 Munich Marathon and 2015 Brighton Marathon). Our members would be grateful for confirmation on how this money is to be spent, and would be particularly keen to see it supporting Professor Gore's Melanoma Research Fund.

As you know Paul Johnston and Katherine Richardson will be organising the Team Penguin runners for the forthcoming year and we remain committed to supporting the Royal Marsden Cancer Charity, particularly Professor Gore's work.

We would also be grateful, as Paul has requested, for granting of a number of free places in next year's London marathon. I estimate that we are likely to be able to raise approximately £1,000 per runner. I recognise that demand will be great, but would appreciate sympathetic consideration.

We wish the Royal Marsden every success in the outstanding work it does in the fight against cancer and providing hope to its patients and their families.

With very best wishes from all in the Penguin community.

Yours sincerely,

Charlie Beardmore, on behalf of:

Officers, Trustees and Members of Penguins Against Cancer
