Dear Urology Foundation,

Please find enclosed a cheque for **£3,000** as a grant to you from Penguins Against Cancer, a charity set up to raise awareness of cancer and to provide support to cancer research and treatment organisations, and hospices. This follows the £2,000 grant we sent you in July 2017, the £1,000 grant we sent to you in December 2015, and the £2,000 grant we sent to you in January 2014.

This grant, proposed by Ben Challacombe, has been made possible following the generosity of our members, particularly Mick Martin, Inky Neill and Ian Abbs, and energetic fundraising through Magic Raffles at the Fergus Scholefield Memorial Cup rugby match (Penguins XV versus Guy's Hospital XV) and the Penguins Annual Dinner, both held on 8th February 2020. Of note, the Penguins managed to beat the Guy's Students this year, to retain the Fergus Cup, with both Fergus's Dad and brother having outstanding games.

We continue to wish you every success in your ongoing vital work to make significant advances in urological cancer research. If you wish to know more about our charity, please visit our website:

www.penguinsagainstcancer.org.uk and let us know what you think

We would be grateful if you would confirm receipt of this letter and indicate how you intend to spend the grant.

With Very Best Wishes

Yours sincerely
