Poppy Guilder was diagnosed with a brain tumour in 2004 when she was just 14 months old.

Poppy and her parents were so delighted with the fantastic level of care they received at Birmingham Children's Hospital that they have been actively fundraising for us since 2004.

Over 400 children are diagnosed with a brain tumour every year, of these, 100 will not survive. These funds provide much needed neurosurgical equipment to support research into childhood brain tumours.

Thank you for your continued support, your generous donations will enable us to continue research which is vital to the survival rates and quality of life for children like Poppy.

For more information about how your support is helping to shape the future of Birmingham Children's Hospital please visit www.bch.org.uk

Dear Dr Beardmore

01 June 2016

Thank you for your kind letter, it was wonderful to hear about your numerous sporting and social events especially; the Scanlan Cup rugby match, the Big Waddle fun run and the Guy's hospital Rugby Football Club Annual Ball. The quote on your website 'Dare Quam Accipere' is particularly inspirational. We are really appreciative of your continued support and value your donations greatly.

Thousands of children and their families need treatment and care here at Birmingham Children's Hospital every year. Thanks to Penguins Against Cancer, we are able to respond to their individual needs and make sure that being in hospital is as comfortable and reassuring as possible.

**Thank you so much for your recent donation of
£5,414.84**

Your donation has been paid into our Oncology (Ward 15) Trust Fund which is used to support facilities, equipment, research and education on this unit for the benefit of our young patients.

It means so much to our children and their families to know that people are thinking of them.

Please keep in touch, do let me know if you would like further information for your website. I've tried to reach you but have been unsuccessful by phone, but please do call me at your convenience.

I look forward to speaking soon.

With kindest regards

Mandy Smith
