Mr Graham Hill
Penguins Against Cancer
Fenwycks
Tekels Avenue
Camberley
GU15 2LB

Dear Mr. Hill,

Donation to The Urology Foundation

On behalf of The Foundation and the Board of Trustees, I would like to thank you and the trustees of Penguins Against Cancer for your kind donation of £2000 in support of our work.

This donation provides us with critical funds to continue our research into urological diseases and cancers of the prostate, bladder and kidneys, and to develop and implement our key medical education programmes, such as the Robotic Surgery Preceptorships and our clinical visits programme, which do so much to improve the diagnosis, treatment and management of patients with urological diseases.

Despite the impact of the recession, The Foundation is determined that we keep developing the scope of our programmes and maintain our funding levels to ensure that we meet our charitable objective of improving the diagnosis, treatment and management of patients with urological diseases.

Thank you once again for your support - we are deeply grateful. If there is any further information I can tell you about The Foundation or our programmes then please do not hesitate to contact me.

Yours sincerely,

Louise de Winter
