Dear Research and Development Team,

Acting on behalf of Penguins Against Cancer, we enclose cheque number 127, for **£2,500**, made out to University Hospital Southampton NHS Foundation Trust as a **Fergus Scholefield Cancer Research Grant**, to support the research work of **Mr Charlie West**, specifically his PROMS-based study into Quality of Life for patients undergoing extended margin cancer surgery for abdominopelvic cancers.

Penguins Against Cancer would be grateful if you would acknowledge receipt of this cheque in writing.

As previously relayed to Mr West, under the terms of the Grant award any publication, presentation or poster produced by the recipient must acknowledge any significant contribution from the Fergus Scholefield Cancer Research Fund, and include the Charity's logo (details available from us via email to: penguinsagainstcancer@outlook.com). The recipient must also inform the Charity about all publications the Fund has contributed to.

We wish Charlie every success in his research.

Yours sincerely
