Dear Princess Alice Hospice,

We enclose a grant **£5,000** from Penguins Against Cancer (PAC) to you, to be used to provide palliative care in your excellent institution. This is in addition to the £1,000 grants made to you by PAC in January and July 2014, and July 2015.

PAC is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. We continue to stage numerous sporting and social events with the aim of making altruism fun. The enclosed grant, proposed by Geraint Thomason, was made possible by the extraordinary generosity of our members, such as: Steve and Tina Challacombe, Chris and Ann Howell, Inky Neill and Chris Gould.

Our ageing, yet timeless, rugby team will shortly take on the might of the Guy's Hospital Rugby Football Club 2nd XV, in the annual contest for the Scanlan Cup, in memory of Paul Scanlan who was taken from us at too young an age. It is traditionally a hard-fought, yet friendly, encounter, pitting youth and exuberance against gnarled experience and gamesmanship. The Penguins are the current cup holders.

Please acknowledge receipt of this letter and let us know how the money is to be spent.

If you wish to know more about PAC please visit our website: www.penguinsagainstcancer.org.uk and let us know what you think.

Best Wishes and Good Luck with the superb work you do.

Yours sincerely
