Dear Action Bladder Cancer UK

We are writing to you enclosing a cheque for £1,000 as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to directly support those suffering from terminal bladder cancer.

This grant was proposed by Ben Challacombe and Ben Thorpe, both PAC Trustees, in memory of Mr Norman Crowder, late groundsman to Guy's Hospital Rugby Football Club (GHRFC). Norman sadly died recently of metastatic bladder cancer after treatment at Guy's Hospital Urology Department. Always a great friend of GHRFC and PAC, well as a loving husband, father and grandfather he will be sorely missed. Before his death he indicated a desire for a grant to be made in his name to help others suffering with this awful disease. We would therefore like you to acknowledge Norman as the inspiration behind this grant.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative costs and has a large number of students studying at Guy's Hospital as Members. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and how it will be spent. We wish you continuing success in the excellent work you are doing.

Yours sincerely
