19th June 2014

Dear Professor Gore,

Please find enclosed a cheque for £1000 for your Melanoma Research Fund from Penguins Against Cancer, a small charity set up to provide support to cancer research and treatment organisations, and hospices. This donation was made possible following a very successful magic raffle, and a generous donation by our host, Mr Charlie Poplewell, at the conclusion of his All England Penguins Croquet Competition, held on 30th May, in South Molton, Devon. I am pleased to report that my wife, Charlotte, (a long time employee of the Royal Marsden) was on the winning team.

We wish you and your staff every success in your continuing battle against melanoma, which has affected a number of our close friends, and hope that your efforts help develop a cure for this dreadful disease.

With Very Best Wishes

Charlie Beardmore, on behalf of:

Officers, Trustees and Members of Penguins Against Cancer
