Kicking Cancer Into Touch!

10th February 2023

Dear Phyllis Tuckwell Hospice,

We enclose a grant **£4,000** from Penguins Against Cancer (PAC) to you, to be used to provide palliative care in your excellent institution. This is in addition to the £5,000 grant we sent you in July 2021. This grant was proposed by Alan Mistlin, who writes 'in memory of Jo Town a mother, wife, sister, daughter, friend and inspirational colleague. She will be missed by all who had the honour of meeting her'.

Penguins Against Cancer (PAC) is a registered charity set up to raise awareness of cancer and to provide support to cancer research and treatment, and hospices. PAC is run purely by unpaid volunteers and has zero running costs. PAC continues to stage numerous sporting and social events, with the aim of making altruism fun. We plan to take 27 riders on a sponsored cycle ride by the Penguin Peloton from Guy's Hospital Tower, Bermondsey to the Bruges Clock Tower, Belgium, some 200 miles, in April this year. Further detail is available at our website: www.penguinsagainstcancer.org.uk, under 'Future Events'. Please visit it and let us know what you think.

We wish you continuing success in the superb work you do. We would be grateful if you would confirm receipt of this letter and detail on how this grant will be spent.

With Very Best Wishes from the whole Penguin community.

Yours sincerely
