Dear Marie Curie Hospice,

Please find enclosed a cheque for £1,000 from Penguins Against Cancer to support the excellent work you do to support the terminally ill. Penguins Against Cancer is a registered charity which raises awareness of cancer and makes grants to support cancer research, treatment and hospices.

We stage numerous sporting and social events, and the enclosed grant, proposed by Anita and Jamie Combes, has been made possible by the extraordinary generosity of, amongst others, Paul Cassar, Alan and Donna Mistlin, Shay Reading and Paul Chew. A mixed rugby and golf weekend took place in Jersey, which resulted in the Penguins XV losing narrowly to a significantly younger Jersey Veterans XV. Earlier, Graham Hill had won the highly coveted Heartbreak Hill Golf Trophy, in the Jersey closed classic, by a clear margin. Each of these events was followed by Charlotte Lane's outstandingly successful magic raffles. Further details of these exploits is available at our website www.penguinsagainstcancer.org.uk, should you care to visit it.

We wish you every success in your ongoing efforts to provide dignified comfort to those nearing the end of their lives. We would be most grateful if you would confirm receipt of this letter, and how you intend to spend this grant.

With Best Wishes from all the Penguin community.

Yours sincerely,

Charlie Beardmore, on behalf of:
