Dear Bowel Cancer UK,

Please find enclosed a cheque for **£5,000** from Penguins Against Cancer, which is in addition to the £1,000 we sent to you in each of April 2014 and February 2015 and May 2015.

This grant, to be used to fund research into bowel cancer, is in memory of **Martyn Gough** and in direct support of Amanda, Euan and Freya Gough. Martyn has recently passed and we have lost a highly intelligent, compassionate, wise and popular man of outstanding integrity. He was a gifted priest, wonderful father and loving husband who touched the lives of so many.

Penguins Against Cancer is a registered charity which raises awareness of cancer and makes grants to support cancer research, treatment and hospices. We continue to stage numerous sporting and social events. The enclosed grant, proposed by Charlie Beardmore, was made possible following the recent Bermondsey to Bruges charity cycle ride by the Penguin Peloton which covered 225 miles in 3 days. Further details of the charity are available at our website [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk), should you care to visit it.

We wish you every success in your ongoing efforts to battle the ravages of bowel cancer, and hope your excellent organisation continues to prosper. We would be most grateful if you would confirm receipt of this letter, and how you intend to spend this grant in support of bowel cancer research.

With Best Wishes from all the Penguin community.

Yours sincerely
