Kicking Cancer Into Touch!

31st May 2023

Dear Pancreatic Cancer UK,

We enclose a grant of **£5,000** from Penguins Against Cancer (PAC) to you, to be used to fund innovative research into treatments for Pancreatic Cancer. This is in addition to the £5,000 grant we sent you in September 2022, the £5,000 grant we sent to you in November 2021, and the £7,000 grant we sent you in September 2015.

Penguins Against Cancer (PAC) is a registered charity set up to raise awareness of cancer and to provide support to cancer research and treatment, and hospices. PAC is run purely by unpaid volunteers and has zero running costs.

This latest grant was made possible following the recent Bermondsey to Bruges sponsored cycle ride by the Penguin Peloton of 28 riders, ranging in age from 16 to 61, which raised over £50,000 for PAC. Further detail is available at our website: www.penguinsagainstcancer.org.uk under 'Events'. Please visit it and let us know what you think.

The enclosed grant, proposed by Charlie Spedding and Pete Davis, is in memory of Jean Davis and Ron Spedding. We wish you every success in the superb work you do in combatting pancreatic cancer. We would be grateful if you would confirm receipt of this letter and detail on how this grant will be spent.

With Very Best Wishes from the Penguin community.

Yours sincerely

President
