Dear Ball Boys,

I enclose a grant £1,000 from Penguins Against Cancer to you, to be used to raise awareness of testicular cancer. Penguins Against Cancer remains a registered charity which helps raise awareness of cancer, and makes grants to support cancer research, treatment and hospices. We continue to stage numerous sporting and social events with the aim of making altruism fun.

The enclosed grant was proposed and largely funded by Richard Docker and Jerney 'Wocca' Worth following participation in a marathon run, and the staging of the annual Elves against Pixies charity cricket match, a 9-a-side 20-20 affair won in nail-biting fashion by the Oxfordshire Pixie IX, despite a valiant rearguard action from Wocca. This was immediately followed by a touch rugby match (drawn) with the day being rounded-off by a game of Aunt Sally, an Oxfordshire favourite, where the Elves triumphed. Further detail is available on our website, [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk), should you care to visit it.

I would be most grateful if you would acknowledge receipt of this letter and let us know how the money has been spent.

Best Wishes and Good Luck with the superb work you do.

Yours sincerely
