5th June 2023

Dear Mr. Beardmore and Mr. Gush,

I am writing to thank you for Penguins Against Cancer's donation of £5,000, given in memory of Jean Davis and Ron Spedding. Please accept this letter as official receipt of donation.

Your gift will be used to support our research programmes to find innovative new treatments for pancreatic cancer. For example, the work of Dr Kirsteen Campbell at CRUK Beatson Institute, Glasgow. Dr Campbell is using cutting-edge laboratory techniques to improve how pancreatic cancer responds to treatment, with the aim of enhancing patient's quality of life and improving survival rates.

It was lovely to look at your fundraising events over the past year, the Bermondsey to Bruges Peloton looked fantastic. What an amazing achievement – not only cycling such a distance in just three days but raising £50,000!

Once again, thank you so much for this kind gift and your continued support of Pancreatic Cancer UK in Jean and Ron's memory.

Yours sincerely

Miss Sophie Hunter
