Dear Guy's Cancer Charity,

We enclose a grant for **£5,000** from Penguins Against Cancer (PAC) to you, to be used to fund provision of cancer treatment in your excellent institution. It is proposed by Charlotte Beardmore, one of our founding Trustees, who trained and worked as a Radiographer in Guy's Radiotherapy department.

PAC is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. PAC is staffed entirely by volunteers and has no running costs.

This grant was made possible following the recent Bermondsey to Bruges sponsored cycle ride by the Penguin Peloton of 28 riders, ranging in age from 16 to 61, which raised over £50,000 for PAC. Further detail is available at our website: [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) under 'Events'. Please visit it and let us know what you think.

Please acknowledge receipt of this letter and let us know how the money is to be spent.

Best Wishes and Good Luck with the superb work you do.

Yours sincerely

**Charlie Beardmore**  
President

**Patrick Gush**  
Vice President
