Dear Penguin flock,

The Trustees of PRDA are really bowled over to receive such a very generous cheque. Please thank all your members, particularly Chris and Ann Howell and Steve and Tina Challacombe, but most of all thank you Charlie and Pat, not forgetting Charlotte who has given PRDA so much support over the last 6 years. I have already looked at your website and have seen what wonderful help you give.

We shall be spending the money on furthering our Public Awareness Campaign but rather than rush into telling you what exactly we shall spend the money on, we shall be discussing it at the Trustee meeting on the 16<sup>th</sup>, following which I shall be writing you a second letter.

Very many thanks again and very best wishes

Jane Norris-Jones  
Trustee PRDA
