Dear Mr Hill

Thank you Penguins Against Cancer!

We can confirm the receipt of £1000 from your fundraising dinner on 25th January 2014, this is a magnificent amount. We delighted and humbled by the fact you chose us as a beneficiary and truly humbled by your generosity and commitment. I would be grateful if you could pass on our thanks to all those who contributed to this.

We could not continue to provide our service to over 2,500 patients free of charge each year without supporters such as you. Your donation really will be put to very good use and will help pay for the provision of specialist palliative care services for patients and much needed support for their carers, families and friends.

Thank you again from all the staff, volunteers and patients for whom this money will make a huge difference.

Yours sincerely

Piers Gilbert
