Dear Penguins Against Cancer

Thank you for your donation of £1,000.00 in aid of Myeloma UK raised from the Fundraising Dinner held on 25 January 2014. We greatly appreciate being selected as one of the charities to benefit from this event and hope everyone had an enjoyable evening.

Your support is helping us to accelerate the discovery, development and access to better treatment for myeloma. For example, our Clinical Trial Network is studying new treatments in myeloma. Patients on these trials are receiving treatment that they would not have access to otherwise. The results of this research will in turn benefit all myeloma patients by improving clinical practice.

Myeloma UK is a leading funder of myeloma research in the UK. Thanks to people like you we are continuing to help patients live longer and with a better quality of life.

To keep up-to-date with the latest in myeloma research and the work of Myeloma UK visit [www.myeloma.org.uk](http://www.myeloma.org.uk) or sign up for our e-newsletter at [www.myeloma.org.uk/enewsletter](http://www.myeloma.org.uk/enewsletter).

We are very grateful for your support and hope you'll consider fundraising for us again in the future.

On behalf of those who benefit from our work, thank you again for supporting Myeloma UK.

Yours sincerely
