Dear Frimley Park Hospital,

I enclose a grant of **£4,000** from Penguins Against Cancer (PAC) to you, to be used to provide support to the Chemotherapy Day Unit, specifically to provide support to patients receiving treatment for cancer at Frimley Park Hospital. PAC has been very impressed to hear of the voluntary work of Clare Dawson in support of chemotherapy patients, and would be keen to support her if possible. This grant is in addition to the £2,000 grant to support the chemotherapy day unit in December 2018, and the £1,000 grant to support F103 Children's Ward in August 2017.

Penguins Against Cancer is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. We continue to stage numerous sporting and social events with the aim of making altruism fun. The enclosed grant, proposed by Caroline Small, was made possible by the extraordinary generosity of our members including: Ian Abbs, Simon Hughes, Mark Blunden and Alex Schaub.

Further detail about Penguins Against Cancer is available at our website: penguinsagainstcancer.org.uk. Please visit the website; it is designed to project a positive outlook. We hope you enjoy it.

We would be most grateful if you would acknowledge receipt of this letter and let us know how the money has been spent.

With Very Best Wishes and continuing Good Luck with the superb work you do.

Yours sincerely
