Kicking Cancer Into Touch!

25th July 2021

Mr David Jillings
Treasurer
Pelvic Radiation Disease Association
62 Norbiton Avenue
Kingston upon Thames
KT1 3QP

Dear PRDA,

We enclose a grant **£5,000** from Penguins Against Cancer (PAC) to you, to be used to directly alleviate the worst effects of Pelvic Radiation Disease. This is in addition to the £5,000 grant we sent you in February 2018. This grant was proposed by Charlotte Beardmore.

PAC is a registered charity which raises awareness of cancer, and makes grants to support cancer research, treatment and hospices. This latest grant has been made possible following the outstanding success of the recent Penguin Peloton 'Tower to Tower' [T3] bike ride from Guy's Hospital to Spinnaker Tower, Portsmouth which saw 16 Penguins, with a combined age in excess of 850 years, accompanied by 2 Black Cat support crew, complete nearly 100 miles of cycling. Thus far over £29,000 has been raised, including outstandingly generous support from Lord Kirkham's Foundation.

Our fundraising, sporting and social activities have been somewhat curtailed by COVID-19 but PAC remains vibrant, optimistic and forward-looking, not least due to the huge altruism demonstrated by our student members. Please acknowledge receipt of this letter and let us know how the money is to be spent. If you wish to know more about PAC please visit our website: www.penguinsagainstcancer.org.uk and let us know what you think.

Best Wishes and Good Luck with the superb work you do.

Yours sincerely

Charlie Beardmore
President

Vice President
