28th June 2018

Dear Action Against Cancer,

Please find enclosed a cheque for £1,000 as a grant to Action Against Cancer, from Penguins Against Cancer (PAC), a charity set up to raise awareness of cancer and to provide support to cancer research and treatment organisations, and hospices. This grant was proposed by Dr Ben Thorpe in memory of his friend Chris Lantos who sadly lost his battle with cancer at the end of 2017.

It was the wish of his wife Torie that our grant be directed towards 'finding cures and life prolonging treatments so others don't have to suffer in the way that Chris did'. We hope that this grant can in some way help to achieve this.

This grant was made possible thanks to the fantastic fundraising activities and voluntary donations by our members. PAC activities are many and diverse and all our fundraising events are designed to be both altruistic and fun, celebrating memories and achievements, rather than mourning loss (many of our members have lost family and/or close friends to cancer). If you wish to know more about our charity, please visit our website: www.penguinsagainstcancer.org.uk and let us know what you think.

We wish you every success in your continued work into developing new diagnostics and treatments to improve the survival prospects and quality of life for millions of cancer sufferers worldwide.

We would be grateful if you would confirm receipt of this letter and indicate how you intend to spend the grant.

With very best wishes from all the Penguin flock.

(Signed electronically)

Charlie Beardmore
President
