Dear Prostate Cancer UK,

Please find enclosed a cheque for **£5,000** from Penguins Against Cancer (PAC) to assist you with funding research into prostate cancer treatment. This grant is in addition to the £1,000 we sent you in January 2019, the £2,627 in December 2016 and the £2,000 January 2014. The grant was proposed by Charlie Beardmore in direct support of Andy Wood. It was made possible by the continuing superb fundraising efforts by our supporters.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. PAC is a registered charity and has no administrative or running costs. It draws its membership from a wide cross-section of students, healthcare and other professionals and retired altruists. Please feel free to visit our website [www.penguinsagainstcancer.org.uk](http://www.penguinsagainstcancer.org.uk) and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant, and indicating how it will be spent in funding research.

We wish Prostate Cancer UK every success in the excellent work you are doing to defeat this dreadful disease.

With Very Best Wishes

Yours sincerely
