Kicking Cancer Into Touch!

7th September 2023

Dear Action Bladder Cancer UK,

We are writing to you enclosing a cheque for **£5,000** as a grant from Penguins Against Cancer (PAC) to you, specifically to be used to directly support those suffering from terminal bladder cancer. This is in addition to the £1,000 grant we sent you in June 2020.

This grant was proposed by Pat Gush and Charlie Beardmore, both PAC Trustees, in memory of **Terry Wellard**. Terry was a top fellow, a keen supporter of PAC, playing regularly at our charity golf days, and was father to Tania Harwood, one of PAC's most steadfast supporters over the last 10 years. We would therefore like you to acknowledge Terry as the inspiration behind this grant.

PAC exists to raise cancer awareness, and to provide support to cancer research and treatment, as well as to hospices. It has no running or administrative expenses (all costs being met by individual PAC Members) and has a large number of students studying at Guy's Hospital as active supporters. Please feel free to visit our website www.penguinsagainstcancer.org.uk and let us know what you think.

We would be most grateful if you would write back to us confirming receipt of the grant and how it will be spent.

We wish you continuing success in the excellent work you are doing.

Yours sincerely
