Dear Target Ovarian Cancer,

Please find enclosed a cheque for **£3,000** for your organisation from Penguins Against Cancer (PAC), a charity set up in 2013 to raise awareness of cancer and to provide support to cancer research and treatment organisations, and hospices. This is in addition to the grant we sent you for £1,000 in May 2018. This grant, proposed Charlie Spedding, has been made possible by the generosity of our supporters, particularly Lesley Leach, and is in memory of Sara, and also of Alison Harris. Please use this grant to directly support research into finding more effective treatments for ovarian cancer.

PAC fundraising activities are many and diverse, and all our events are designed to be both altruistic and fun. Last year PAC undertook a sponsored cycle ride by the Penguin Peloton (21 riders with a combined age in excess of 1,000 years) from Guy's Hospital Tower, London to the Eiffel Tower, Paris which raised over £47,000. Further detail is available at our website: www.penguinsagainstcancer.org.uk under 'Events'. Please visit it and let us know what you think.

We wish you and your staff every success in your continuing battle against ovarian cancer and hope that your efforts continue to help alleviate the worst of this dreadful condition.

We would be most grateful if you would confirm receipt of this letter and indicate how you intend to spend the grant.

With Very Best Wishes from the whole of the Penguin Flock.

Yours sincerely
